Our Mission

The mission of the Wounded Warrior Project (WWP) is to raise public awareness and enlist the public's aid for the needs of severely injured service men and women, to help severely injured service members to aid and assist each other, and to provide unique, direct programs and services to meet their needs.

WWP accomplishes this mission by providing programs and services to severely injured active service members and their families during the critical time between their initial rehabilitation while on active duty and their eventual transition to civilian life.

Our Programs

The Wounded Warrior Project is dedicated to serving the needs of a new generation of veterans and ensuring that the United States government and the American public live by our motto, "Putting Veterans First in America." The WWP provides vital assistance to severely injured service members at the critical time between their hospital recovery and their transition to civilian life back home. Our work begins right at the hospital bedside of the severely injured as they undergo treatment and rehabilitation in Department of Defense facilities and continues through their rehabilitation. Our programs are designed to meet the following four areas of need:

- Providing comfort and aid to patients and families;
- Assisting the wounded in their rehabilitation and transition to civilian life;
- Educating the public about the sacrifices made by these courageous individuals and enlisting public support for their needs;
- Providing severely injured service members and disabled veterans with a unified voice in national and local issues of importance to them.

Thanks to the generous support of the American public, the WWP has reached thousands of wounded service members, providing comfort items, counseling, and rehabilitation to aid in the transition from a hospital bed to an independent life at home.

To find out more, visit our website at www.WoundedWarriorProject.org or call (540) 342-0032.

Mingle Albany is a Korean restaurant with a multicultural twist and asian cuisine. Chef Un-Hui Filomeno has served New York's Capital District for nearly 20 years. Her cooking is a direct reflection of her Korean heritage and a savory mix of many other cultural experiences and influences. She has created an ethnically diverse menu that combines spices and flavors from around the world with her Asian roots, and showcases a distinct passion for quality and fresh ingredients. The menu blends Korean, New American, Asian Fusion, Caribbean, Greek, Mediterranean, Latin American and Spanish Basque cuisines. It features everything from lobster macaroni and cheese to Korean shrimp-and-vegetable pancakes. Korean food enthusiasts will love the chap chae, bibimbap, kimchi jigae and bulgogi.

Albany’s Ethical Farm to Bakery / Café

New Shop Hours: Wed.-Fri. 8am-3pm
Sat. and Sun. 9am-3pm

Facebook.com All Good Bakers

Brunch possible on both weekend days and new daily breakfast / set seasonal lunch menus.

Albany’s Ethical “Farm to Bakery”. We use only organic, locally-milled flours from Champlain Valley Milling, 60% of which come from Central NY; they are never bleached or artificially enriched. All of our other ingredients are primarily local, organic, or produced under organic-practices. We research our supplier’s practices to ensure that our bakery items never contain GMO, hormones, antibiotics, trans fat, preservatives, artificial or overly-processed ingredients. The only thing we wash that’s green is fresh vegetables (and our compost bin).

Please check out our hours (above). We have a Co-Op Kitchen, which means we share with other local producers working on growing their small-food-production businesses, so we only have full use of the space for part of the week. In addition to our breads and baked goods, we offer vegan and vegetarian sandwiches, specialty pizzas, salads and seasonal treats. Affordable prices for Real Food!

Blessed Sacrament Church’s Food Pantry

Our Parish based food pantry serves an average of 225 families each month. As a member of The Food Pantries of the Capital District, we follow the geographic boundaries put in place by this group.

We are open every Monday and Thursday from 10:00 - 11:15 AM except holidays or days in which schools may be closed due to weather conditions.

Volunteers staff our Pantry and assist regularly with deliveries, which we receive from the Regional Food Bank in Latham, New York twice a month. In addition to our Food Pantry, we are able to assist our families through our Thrift Store and/or refer our families to area agencies to address their specific needs. If you are aware of an area families that needs this assistance or if you would like to volunteer your services to make a difference in our community, please contact 482-3375.

The Parade Committee/Divisions will be collecting NON-PERISHABLE food donations at all events, INCLUDING MASS on St. Patrick’s Day.
